

Free Mother's Day Greeting Card or Print

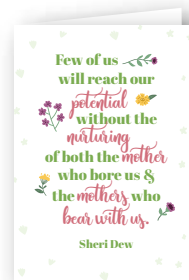

Thank you for downloading this free printable for Mother's Day! It features a lovely quote from Sister Sheri Dew's October 2001 General Conference talk:

"Few of us will reach our potential without the nurturing of both the mother who bore us and the mothers who bear with us."

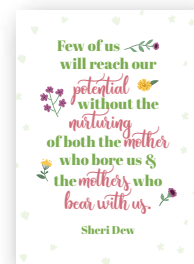

Choose a greeting card or a print option:

Print the 5x7" greeting card on thick paper or cardstock. Give your youth time to write a personal note to their moms or mother figures in their lives.

Use the 5x7" print option to print at home or send to a photo printer. Put in a frame to create a lovely gift.
