

HE IS RISEN BANNER

INSTRUCTIONS

- We recommend printing the banner on heavy paper or cardstock. You may need to print more than one page of the flower circles depending on how many you want to use.
- Cut out the pendants and the flower circles
- Use a hole punch to punch 2 holes onto the top corners of the pendants
- Punch 2 holes in the flower circles, on either side of the flowers
- String ribbon through the pendants and the circles so the ribbon goes behind the paper
- Hang up in your home!
