

# EASTER COLORING POSTER

CLICK HERE TO DOWNLOAD POSTERS

## POSTER SIZES INCLUDED (in inches):

- 8.5x11
- 18x24
- 24x36
- 30x42
- 36x48

These posters are designed to print as Engineer Prints (Except for the 8.5x11 size. We included that size if you'd like to print on your home printer.) We have found Staples to be the least expensive for Engineer Prints. Choose the size you'd like to use and upload onto the Staples website. There are JPGs and PDFs in your folder and both of them will print great!

We hope that as your children are coloring the poster, you will be able to take some time with them to discuss the images and scriptures of Christ. When your poster is all finished, hang it in your home to help your family remember Jesus Christ throughout this Easter season!
