### **Caring: A Global Initiative to Improve the Well-Being of Women and Children**

Relief Society General Presidency

*We bring the love and relief of Jesus Christ to all the world as we care for those in our own homes, neighborhoods, and communities.*

Sisters, we have been entrusted with the sacred work of bringing the Savior's relief—temporal and spiritual—to all the world. And we can do so by tending to those within our own spheres of influence. What a gift and blessing this is. Participating in the global initiative to improve the well-being of women and children is one of many experiences which draw us closer to the Savior. Acting as He would, we feel His love; and our desire for, and commitment to, a covenant relationship with Him grows.

Thank you for helping us bring the love and relief of Jesus Christ to our sisters and brothers everywhere.

In trying to emulate Jesus Christ, the most important requirement for us as His disciples is to recognize immediate individual needs around us and respond with patience and love.

President Russell M. Nelson said to us in the 2024 Worldwide Relief Society Devotional, "I bless you to realize that your divine gifts as a daughter of God give you the power not only to change lives but to change the world!"

*"When you bless a woman, you bless a family, a community, a nation. When you bless a child, you invest in the future."*
